foggy autumn lake...  
an occasional ripple  
to break the silence

maglovito jesenje jezero ...  
uobičajeno mreškanje  
da se prekine tišina

near the end  
then the beginning...

wind in the pages

pred kraj  
pa na početku ...  
vjetar u stranicama

a trail  
where a star fell  
still glows

trag  
zvijezde padalice  
još uvijek plamti

sundrops  
dripping from the lip  
of a lilac

kapljice sunca  
kaplju s usne  
jorgovana

on a grassblade
