Biography - source: Encyclopedia Britannica (last approach on 31.8.2020) -
<https://www.britannica.com/biography/Antonio-Berni>

Delesio Antonio Berni, (born May 14, 1905, Rosario, Arg.—died Oct. 13, 1981, Buenos Aires), Argentine artist known for his socially committed art.

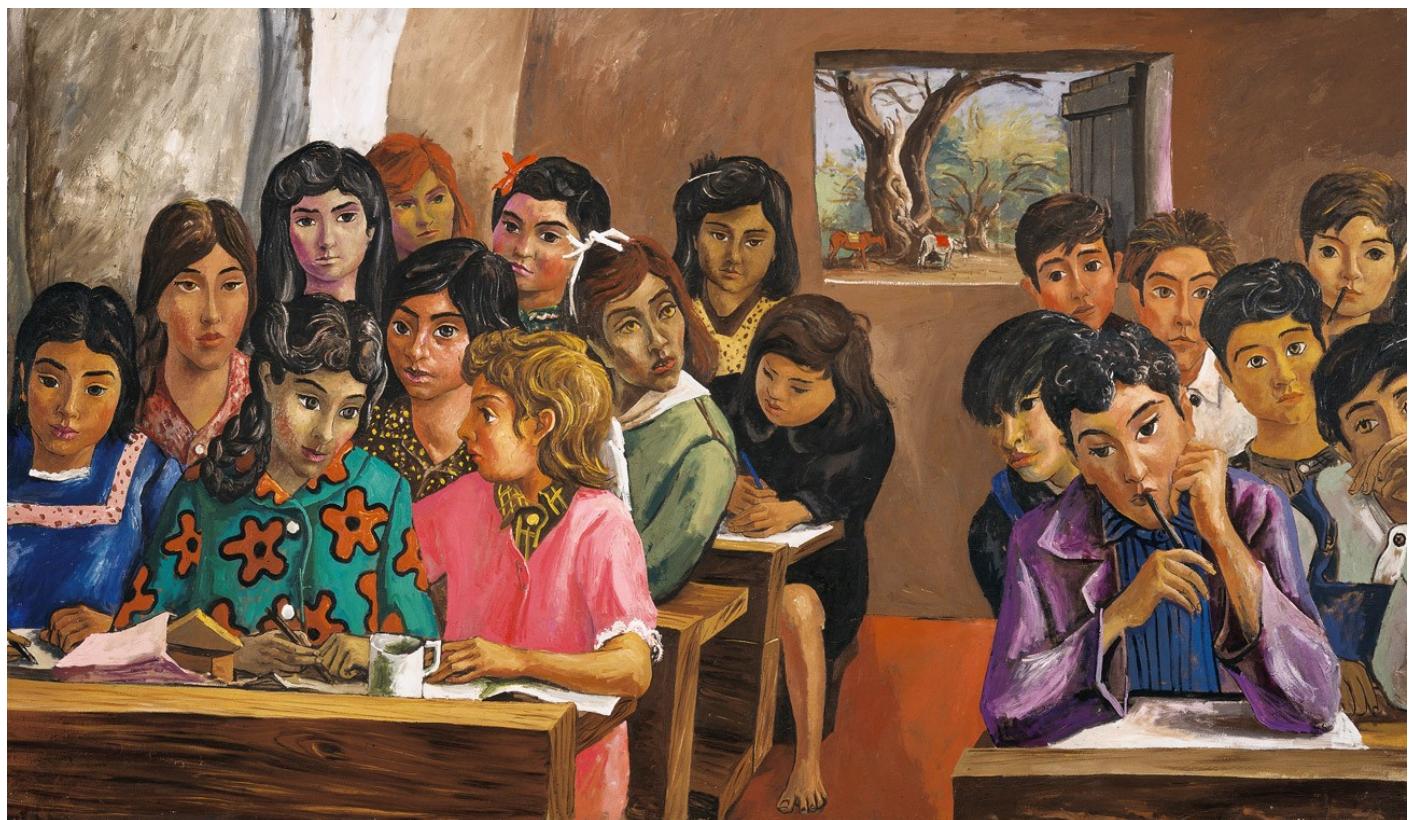

Berni had his first exhibition when still a teenager and received a scholarship to study painting in Europe in 1925. After visiting Madrid he settled in Paris, where he studied with the painters André Lhote and Othon Friesz. He received a second scholarship in 1927 that enabled him to come into contact with the Surrealists. While in France he explored Surrealism, revolutionary politics, and the psychoanalytical writings of Sigmund Freud. He began to produce paintings and collages that reflected the influence of Surrealism and of Giorgio de Chirico in particular. *The Nap and Its Dream* (1932), for example, is a cryptic image in which a shuttered villa and an empty car overlook the sea, from which an enormous industrial tower and a fancifully shaped stone structure emerge.

Berni returned to Argentina in 1930. In 1933 he established a leftist group called Nuevo Realismo (“New Realism”) and began to prefer Social Realism. That same year he collaborated on a mural with visiting Mexican painter David Alfaro Siqueiros. Unlike the muralists of Mexico, however, Berni had little opportunity to paint murals, so instead he used enormous mural-sized canvases. An example of this is *Public Demonstration* (1934), which captures the desperation of Argentina’s working classes. The anguished faces of men, women, and a child crowd the image; one protester holds a sign that reads “pan y trabajo” (“bread and work”).

Berni continued to produce work in this realist style until the late 1950s, when he began a series of collages that he centred on the daily life of a fictional boy from the slums of Buenos Aires whom he named Juanito Laguna. *Juanito Laguna Goes to the City* (1963) shows the boy in his best clothes, a sack on his back as he climbs through the refuse that fills the slum. In this work and others, Berni included objects and materials that he collected in the slums themselves—bits of paper, cardboard, newspaper, fabric, and metal. In the early 1960s the fictional prostitute and seamstress Ramona Montiel became the subject of a second series of works. He also produced a number of prints centred on these characters.

IFSPD LETTER OF APPEAL

August 21, 2020

Nº187/2020
August 14, 2020

TO: The President of the Republic of Azerbaijan
H.E. Mr. Ilham Aliyev

Esteemed Mr. President,

International Foundation for Sustainable Peace and Development (IFSPD), known as The International Fund for Cooperation and Partnership of the Black Sea and the Caspian Sea (BSCSIF) until 2017, was established in 2009 thanks to you and the President of Romania, Mr. Traian Băsescu.

The members of this unique organization; politicians, diplomats, professors, public figures, are now famous representatives of forty countries.

On August 1, 2013, BSCSIF received Special Consultative Status within the UN Economic and Social Council.

IFSPD takes part in the implementation of the most significant social projects in various parts of the world - from Eastern Europe to Africa and Southeast Asia.

For more than 10 years, the soul of the foundation and great authority for all its participants has been the IFSPD Secretary-General, Eldar Hasanov, Extraordinary and Plenipotentiary Ambassador of the Republic of Azerbaijan to the Republic of Serbia, Montenegro, Bosnia and Herzegovina, who has earned fame as a peacemaker and a diplomat; a wise, influential, fundamental, highly moral and selfless person, who is defending the interests of his country. It was he who enhanced the work of the foundation, and contributed to the growth of its authority throughout the world.

A lot was done to strengthen the rule of law and order during the time of the work of doctor, professor Eldar Hasanov, the Prosecutor General of the Republic of Azerbaijan, and during his diplomatic work, on his initiative and with his support, many projects were implemented that contribute to strengthening the authority of the republic in the international arena (attached).

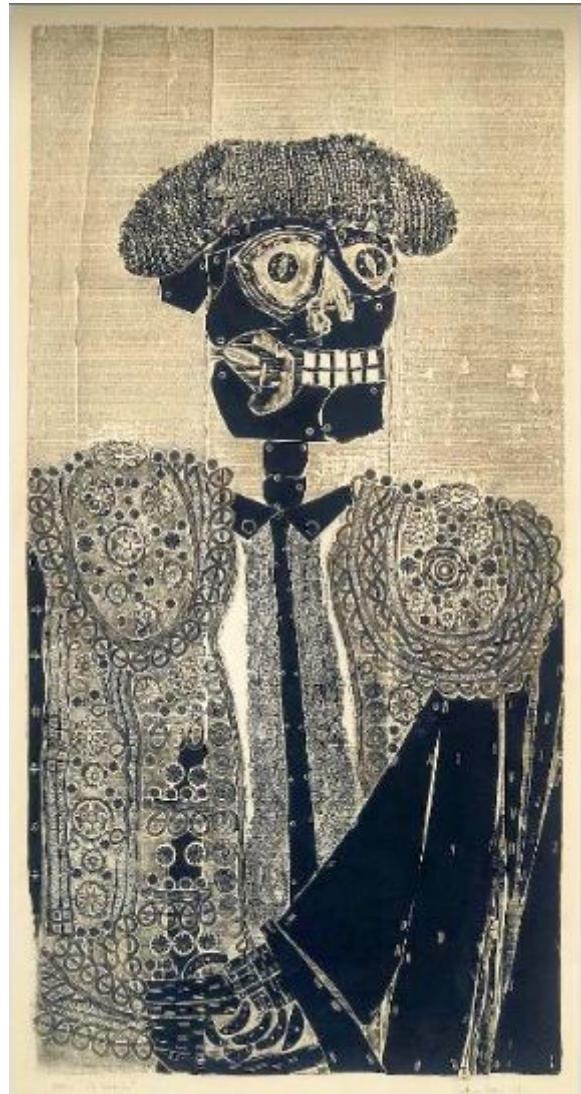

Without interfering in the course of the investigation, we ask you to take the investigation under your personal control, and to not allow an unfair consideration of the case based on accusations that seem unbelievable to everyone who knows this outstanding person.

Please note that the detention of Mr. Ambassador may cause irreparable damage to his health, aggravated by chronic diseases such as diabetes mellitus, vascular thrombosis, atherosclerotic cardiosclerosis and immunodeficiency, which is extremely dangerous to health under the COVID-19 pandemic.

ОБРАЩЕНИЕ МЕЖДУНАРОДНОГО ФОНДА (IFSPD)

21 августа, 2020

№187/2020
14 августа 2020 г.

Президенту Азербайджанской Республики
Е.П. Г-ну Ильхаму Алиеву

Уважаемый господин Президент!

Международный Фонд за Устойчивый Мир и Развитие (IFSPD), до 2017 года - Международный Фонд сотрудничества и партнерства Черного Моря и Каспийского Моря (МФЧМКМ) создан в 2009 году именно благодаря Вам и Президенту Румынии г-ну Траяну Бэсеску. Сейчас членами этой уникальной организации являются известные представители сорока стран — политики, дипломаты, профессора, общественные деятели.

1 августа 2013 года МФЧМКМ получил Специальный Консультативный Статус при Экономическом и Социальном Совете ООН.

IFSPD принимает участие в реализации самых значимых социальных проектов в различных точках планеты — от Восточной Европы до Африки и Юго-Восточной Азии.

Вот уже более 10 лет душой фонда и большим авторитетом для всех его участников является Генеральный Секретарь IFSPD, Чрезвычайный и Полномочный посол Азербайджанской Республики в Республике Сербия, Черногории, Боснии и Герцеговине Эльдар Гасанов, снискавший славу миротворца и дипломата, мудрого человека, отстаивающего интересы своей страны, принципиального, высоконравственного и бескорыстного. Именно он человек, который укрепил работу фонда, способствовал росту его авторитета во всем мире.

Очень много было сделано для укрепления законности и правопорядка в бытность работы доктора, профессора Эльдара Гасанова Генеральным прокурором Азербайджанской Республики, а во время дипломатической работы по его инициативе и при поддержке было реализовано множество проектов, способствующих укреплению авторитета республики на международной арене (прилагается).

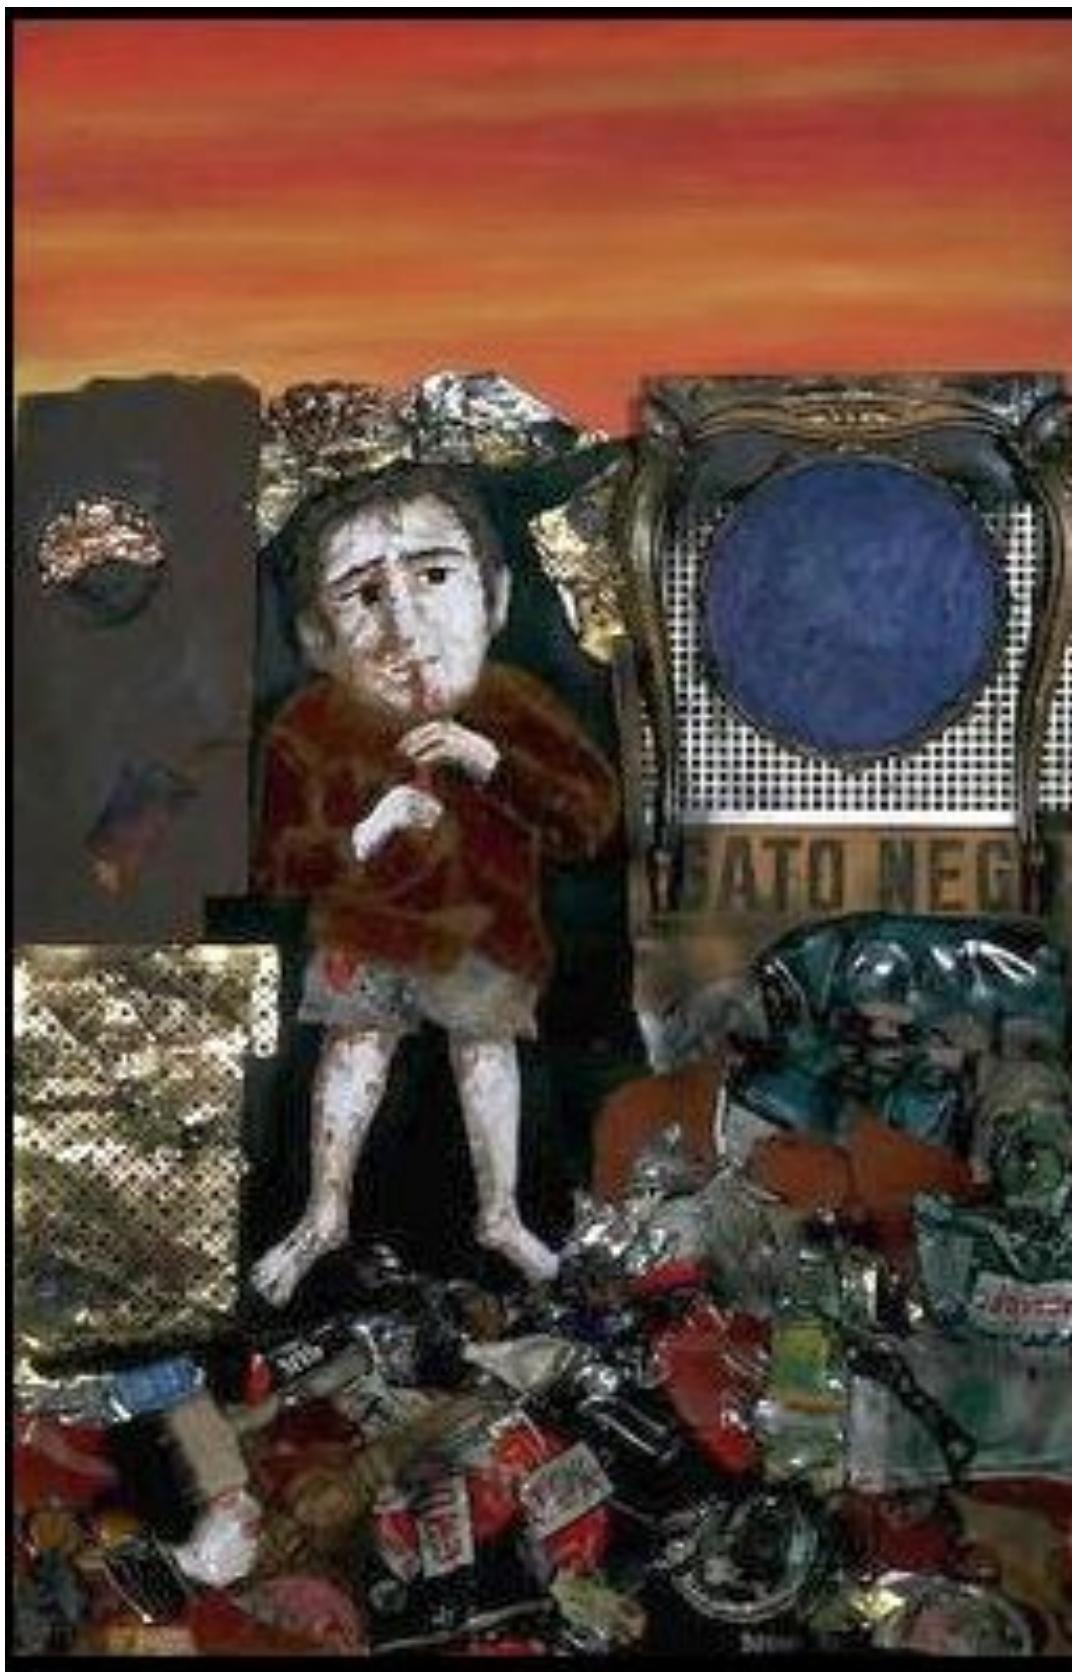

Не вмешиваясь в ход следствия, просим Вас взять расследование под свой личный контроль и не допустить несправедливого рассмотрения дела, основанного на обвинениях, кажущихся невероятными для всех, кто знает этого выдающегося человека.

Просим учесть, что содержание г-на Посла под стражей может нанести непоправимый ущерб его здоровью, отягоченному хроническими заболеваниями, такими как сахарный диабет, тромбоз сосудов, атеросклеротический кардиосклероз и иммунодефицит, крайне опасный для здоровья в условиях пандемии COVID-19.

"DIOGENES POETES"

VI STE U ŽONI KREATIVNOG DUHALA!
YOU ARE IN THE ZONE OF CREATIVE SPIRIT!

La poezija obnovila je LAUTU i OSLUČIO Danica Kika Šerljičević! Počela je novi život u sredini. Da bude ujedno i novi početak, treba da se prebaci u drugi grad, prepozna novo mesto, da se ong ujedno vrati do vlastitog doma. Umjesto toga, treba da se prebaci u mjesto mračno, prepozna mesto, u kome je danas živjeti u potpunosti obnovljena LAUTA i OSLUČIO Danica Kika Šerljičević! The writer needs to examine his/her life. To support the process of change, a new town needs to be found. The writer needs to return to his/her home. Instead, he/she needs to move to a dark place, a new town, a new life. It is the duty of man, particularly a writer, to go through changes. All the changes in life are good. The most important thing is to accept the changes in life, to let them happen. One of the findings: each word is written as a poem.
