Dunkles Sonnenlicht.  
Erhöht, weit am Horizont,  
gefleckt ein Mustang.

Darkened sunlight.  
At some height, far at the horizon  
mottled a mustang.

Tamno sunce na zalazu –  
uz nešto svjetlosti, daleko na horizontu  
šareni se mustang.

wild Arabian horses—  
I butter his toast

U mojim snovima prošle noći  
divlji arapski konji –  
mažem maslac na njegov tost
