Martin Berner, Germany

ach Hunde
soviel Lärm
um einen traurigen Wanderer

ah, you dogs -
such a lot of noise about
one sad passer-by

oh, vi psi -
toliko buke tek oko jednog
tužnog prolaznika

noch eine Rostspur
macht der Schlitten
den Hang hinauf

still a trace of rust
scribbled by the toboggan
up the slope

još uvijek tračak hrđe
urezan pored tobogana
uz padinu

zwei Igelstacheln
kleben noch
am rechten Vorderrad

two hedgehog prickles
still stuck to
my right front wheel

dvije bodlje ježa
još uvijek zabodene
u moj desni prvi kotač
