MI OBJEDINJUJEMO RAZLIČITOSTI...WE ARE UNIFYING DIVERSITIES

Radivoje Kastratović, Kragujevac, Serbia

zajedno sa mnom
ove morske stene
posmatraju beskraj

with me
these sea cliffs
gazing at infinity

*

morski suton-
ribar nečujno plovi
po zlatu

the sea sunset –
fisherman sailing silently
over the gold

*

i ovog leta
samo kada puna vode-
deci dovoljno

this summer too
only a bathtub filled with water -
satisfied children

*

morska zvezda
suši se na peškiru-
talasi blizu

a starfish
dehydrating on a towel-
waves so close

*

dok vadim bodlje
pitam se kako je ježu-
upeklo sunce

removing the spines
I wondering how's the urchin –
burning sun
