a shocking secret
a forgiven yesterday
a silk robe nine bucks

*

out of the morning
covered in forgotten dreams
a very deep breath.

*

shimmering
foolproof
through silence.

*

a tale spun
swings softly
at 3 am.

*

searching alleyways
heaven dozed off
velvet collars wept.

*

fools sleep
upside down with
non-essential dreams.

*

butterfly courage
seeping teas afar yes
chocolate wings do soar

*

morning sings
on the blue horizon
feet go inside out.

*

surrounded by gypsies
tambourines fall silent
a bitter-sweet smile.

*

red plants
seeded in a
heavenly glow
